Strategic initiatives are creating meaningful value for shareholders

### SCORECARD OF 2018 CORPORATE PRIORITIES

## RLJ Lodging Trust

# We not only met or exceeded our corporate priorities in 2018, but also completed them ahead of schedule

#### We realized the synergies from the FelCor merger

• Realized \$22 million of corporate synergies by the end of 3Q18; 2019 will represent first full calendar year of synergies

#### We sold seven assets for over \$530 million in 2018

 We exceeded our stated objective of generating \$200 - \$400M of sale proceeds and sold these assets at a combined, highly accretive multiple of 16.5x EBITDA

#### We paid down \$635 million in debt and improved our leverage ahead of our target

- Addressed high-coupon debt by redeeming \$524 million of 5.625% Senior Notes in March'18
- We exceeded our 2018 debt reduction goal by nearly \$135 million and also exceeded leverage target of 4.0x, ending the year at 3.7x

#### We accretively deployed capital

- Executed renovations in markets that are poised for recovery in 2019 including three SF Bay Area hotels; our largest asset in the portfolio located in the Louisville market; and, one key asset in Tampa
- Repurchased 1.8M shares for \$21.8M, significantly below NAV

# RLJ HAS THE RIGHT LEADERSHIP TEAM TO DELIVER STRATEGIC $RLJ|_{ m Lodging\ Trust}$

#### RLJ leadership is well-positioned to guide the Company through its ongoing strategic initiatives

- Broad and deep bench with substantial industry and public company experience
- Seasoned management team with longstanding tenure
- Prudent capital allocation track record, having completed ~\$11B of acquisitions and dispositions since inception
- Managed ~\$1B of transformational hotel CapEx and renovations
- Reduced leverage accretively since IPO and post-FelCor transaction to 4.0x or better

Note: Years represent total years of real estate and/or lodging industry experience.

As RLJ enters the next phase of its portfolio evolution, our vision is to own a portfolio that will generate significant net asset value (NAV) appreciation over time

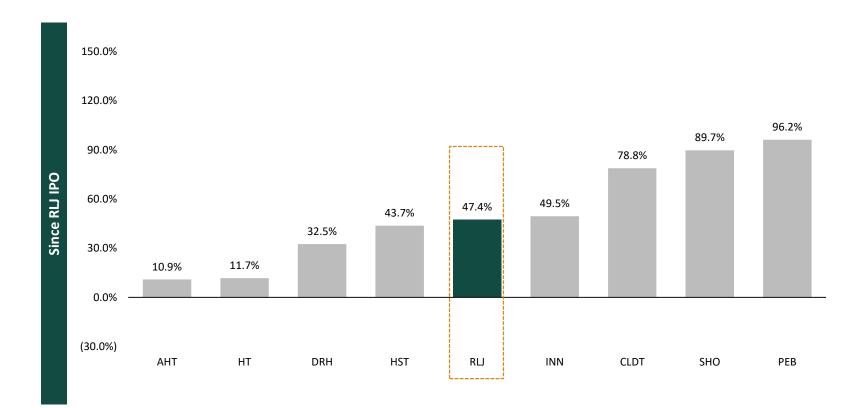

#### **Aspirational Portfolio Attributes**

- Premium branded, rooms-oriented hotels with high margins located within "heart of demand"
- Absolute RevPAR's approaching that of full service hotels
- Attractive margin profile typical of select service hotels

Hotels that achieve stronger long-term growth, generate significant free cash flow and are more resilient across the entire cycle

Long-Term NAV Appreciation

### Since IPO, our total returns have been in the top-half of our peers.

#### Forward-Looking Statements

This presentation contains certain statements, other than purely historical information, including estimates, projections, statements relating to the Company's business plans, objectives and expected operating results, and the assumptions upon which those statements are based, that are "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933, as amended and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements generally are identified by the use of the words "believe," "project," "expect," "anticipate," "estimate," "plan," "may," "will," "will continue," "intend," "should," "may" or similar expressions. Although the Company believes that the expectations reflected in such forward-looking statements are based upon reasonable assumptions, beliefs and expectations, such forward-looking statements are not predictions of future events or guarantees of future performance and the Company's actual results could differ materially from those set forth in the forward-looking statements. Some factors that might cause such a difference include the following: the current global economic uncertainty, increased direct competition, changes in government regulations or accounting rules, changes in local, national and global real estate conditions, declines in the lodging industry, seasonality of the lodging industry, risks related to natural disasters, such as earthquakes and hurricanes, hostilities, including future terrorist attacks or fear of hostilities that affect travel, the Company's ability to obtain lines of credit or permanent financing on satisfactory terms, changes in interest rates, access to capital through offerings of the Company's common and preferred shares of beneficial interest, or debt, the Company's ability to identify suitable acquisitions, the Company's ability to close on identified acquisitions and integrate those businesses and inaccuracies of the Company's accounting estimates. Given these uncertainties, undue reliance should not be placed on such statements. Except as required by law, the Company undertakes no obligation to update or revise publicly any forward-looking statements, whether as a result of new information, future events or otherwise. The Company cautions investors not to place undue reliance on these forward-looking statements and urges investors to carefully review the disclosures the Company makes concerning risks and uncertainties in the sections entitled "Risk Factors," "Forward-Looking Statements," and "Management's Discussion and Analysis of Financial Condition and Results of Operations" in the Company's Annual Report, as well as risks, uncertainties and other factors discussed in other documents filed by the Company with the Securities and Exchange Commission.
